Privacy

Effective Date of Privacy Statement: October, 2018

Polymeric Technology appreciates your interest in this Web site and other related or linked to Polymeric Technology web site. Your privacy is important and we want you to understand our practices with respect to gathering information from visitors to the Site and with respect to the uses we make of that information. Please check each portion or page of the Site that you visit. Certain portions or pages of the Site may contain changes to the Privacy Statement applicable to your use of that portion or page, for example, certain applications may request additional information from you.

Information and Uses

When someone visits the Site, our web servers automatically gather information that allows the site to communicate with the visitor's computer during the visit. We also track such information as the number of visits to the site, which parts of the site visitors select, IP address (the Internet address assigned to your computer from your Internet Service Provider), domain type, browser type (e.g., Netscape or Internet Explorer), date and time of day. We use those types of information for statistical purposes that help us design and administer the Site. Those types of information do not disclose Personal Information that would permit us to identify or locate individual visitors.

Privacy concerns focus on Personal Information, that is, information that could identify a specific individual such as names, addresses, e-mail addresses, and telephone numbers. If during your visit you personalize the Site, complete an order form, enter a contest, or submit other information to us, you may provide us with Personal Information. We may collect and use that Personal Information to provide you with products or services, to bill you for products and services you request, to market products and services which we think may be of interest to you, or to communicate with you for other purposes.

As explained below in the section on Dissemination of Information to Third Parties, we do not distribute or sell Personal Information to third parties for the purpose of allowing them to market their products and services to you; moreover, as explained in the Opt Out/Modify Information section, we will make a reasonable effort to remove your Personal Information from our database in such a way that you will not receive future communications from us. If you notify us that Personal Information previously submitted to our site is no longer accurate, we will make a reasonable effort to make appropriate corrections. To facilitate our efforts, it would be helpful if you could let us know the context in which you provided Personal Information, e.g in connection with promotion of a specific product or service.

Information Placed on Your Computer

We may store some information (commonly known as a "cookie") on your computer when you look at or use the Site. This information facilitates customizing your use of the Site and ensures that you do not need to re-enter your details every time you visit it. You can erase or block this information from your computer if you want to. (Your 'help' screen or user manual should tell you how to do this.)

We use third-party advertising technology to provide ads when you visit sites upon which we advertise. This technology will not process any information that can be used to personally identify you, that is it will not include your name, address, or other personal information. When you access an ad, a "cookie" file will be stored on your computer. This information is used to help manage our on-line advertising.

Information From Children

The Site contains information that may be of special interest to children, but Polymeric Technology does not seek through the Site to gather Personal Information from or about persons under the age of 17.

Hyperlinks

This site has links to sites that Polymeric Technology does not own control or maintain. We cannot be responsible for their privacy policies and practices and we make no representations or warranties about the privacy practices of those sites. Similarly, we cannot be responsible for the policies and practices of any site from which you linked to our Web site. We recommend that you check the privacy policy of other sites and contact the operator if you have concerns or questions.

Dissemination of Information to Third Parties

Communicating via the Internet and sending information, products, and services to you by other means necessarily involves your Personal Information passing through or being handled by third-parties, but Polymeric Technology does not sell or distribute your Personal Information to third parties for purposes of allowing them to market their products and services to you.

We employ other companies and individuals to perform functions on our behalf. Examples include fulfilling orders, deliveries, sending postal mail and e-mail, removing repetitive information from customer lists, analyzing data, providing marketing assistance, processing credit card payments and providing customer service. They have access to Personal Information needed to perform their functions, but may not use it for other purposes.

Personal data collected by Polymeric Technology may be transferred among its various divisions and affiliated companies, around the world which may involve transfer from countries within the European Economic Area to countries outside the E.E.A. By submitting data on the Site, the visitor is providing explicit consent to these transfers, including trans-border transmission of data covered by this Privacy Statement.

Sensitive Information

Polymeric Technology does not seek any sensitive information from visitors to our Site, unless legally required to do so, for example, in connection with recruiting or hiring. Sensitive information includes a number of types of data relating to: race or ethnic origin, political opinions, religious or other similar beliefs, trade union membership, physical or mental health, sexual life or criminal record. We suggest that you do not provide sensitive information of this nature. However, if you do provide such information, Polymeric Technology accepts your explicit consent to use that data in the ways described in this Privacy Statement or in the ways described at the point where such information is disclosed.

Opt Out/Modify Information

You can request the removal or modification of your Personal Information by sending an e-mail to the appropriate area under "Contact Us". We will then make a reasonable effort to accommodate your request. As previously noted, it would be helpful to let us know the context in which you provided Personal Information.

Conditions of Use, Notices and Revisions

If you choose to visit our Site, your visit and any dispute over privacy is subject to this Privacy Statement and our General Terms of Use, including any limitations on damages, arbitration of disputes and application of law provisions. We reserve the right to change this statement at any time without notice except as otherwise provided herein.
